

Title of the contribution

AUTHOR 1 AND AUTHOR XY

some address can be shown

1 Introduction

This is an example, how it should be organized.

2 Some Formulas

Some theory can be shown.

3 Case Study

Pictures are also very nice. It is important to give the relative path name of the file with the picture, because the latex-process is started on directory above!

Figure 1: Figure caption.

4 Summary and Outlook

And somehow it is going on. References please as shown below.
